

## adTENT AIR PREMIUM 5x5 ROOF + 4 DOOR

 **Resolution:** 120 ppi - 1 :1 scale

 **File format:** PDF

 **Color:** CMYK - Coated FOGRA39

 - flattened file (no layers)

- no print marks

- no overprint attribute

- no bleeds

**- do not change the size of the template**

- convert fonts to curves

- suggested black color parameters for backlighting: C40 M40 Y20 K100

 Remove the red and blue lines before saving the files. Leaving the line on will result in it being printed as a design element! In order to properly display the advertisement, all important elements should be inside the protective area marked with **red line**. Background and graphics must fill the entire printable area marked with **blue line**. If there is no fill between the red and blue lines, a white frame will appear on the printout.

 Download and work on the graphic design template on the next page of this PDF. If there is more than one, prepare the projects in separate files.

 **Guideline:**

 Print area

 Protection area

(place here elements that you not want to be cut, such as logos or text). Remember to remove all lines from the project.

The image shows a technical drawing of a roof profile. A solid red line outlines the roof's shape, which is a triangle with a curved base. Two dashed yellow lines are drawn parallel to the upper sides of the triangle, extending beyond its vertices. The drawing is centered on a white background with a blue border.

# roof1

392 x 248 [mm]

Adtent Air premium 5x5 (roof)

The image shows a technical drawing of a roof profile. A solid red line outlines the roof's shape, which is a triangle with a slightly curved base. Two dashed yellow lines are drawn parallel to the upper sides of the triangle, extending to the edges of the frame. The drawing is centered on a white background with a blue border.

# roof2

392 x 248 [mm]

Adtent Air premium 5x5 (roof)

The image shows a technical drawing of a roof profile. A solid red line outlines the roof's shape, which is a triangle with a curved base. Two dashed yellow lines are drawn parallel to the roof's sides, extending from the top vertex downwards. The drawing is centered on a white background with a blue border.

# roof3

392 x 248 [mm]

Adtent Air premium 5x5 (roof)

The image shows a technical drawing of a roof profile. A solid red line defines the roof's shape, which is a triangle with a slightly curved base. Two dashed yellow lines are drawn parallel to the upper sides of the triangle, extending to the edges of the frame. The drawing is centered on a white background with a blue border.

# roof4

392 x 248 [mm]

The diagram shows a semi-circular tent door. It features two concentric outlines: an outer one in red and an inner one in blue. The outlines are semi-circular at the top and have short vertical segments at the bottom corners, suggesting a flap or hem. The text is centered within the space between these two outlines.
